The letter, dated 4th September 1898, from the Secretary, South Mysore Planters' Association, stating that the Association is strongly of opinion that a road from Chiknalli to Chikmagalur is greatly needed, as it will open a tract of country at present ill-provided with communications, and that it would materially shorten the distance from Saklespur to Chikmagalur, *vide* Subject No. 23 of 25th May 1898.

The Board wish to record their appreciation of the liberality of Government in sanctioning the above grant.

Amildars are requested to submit revised estimates of the works noted against their taluks in the Government Order read above.

This question is now before the Dasara Assembly, and the Board decide to await the opinion of Government.

The Board accept the decision of the Muzrai Department and resolve that Government be addressed to sanction the entertainment of a jadmali from the beginning of the next official year at the cost of District Funds.

The Board sanction the cost of repairs executed to the building, *viz.*, Rs. 104-0-4, being paid from the current year's budget grant.

Resolved that Rs. 50 be sanctioned for each of the 3rd class bungalows which have not already been provided with the necessary utensils. Amildars are requested to send in lists of the articles required.

Resolved that Mr. Denne be asked if he would undertake the construction of a pound at his own cost and to keep the pound under the usual rules.

The Board have no objection to the sweeper being removed from Danivasa and leave it to the Deputy Amildar to utilize his services at Tadasa or Yedahalli as necessity arises.

The Board are of opinion that a native kitchen is hardly needed at Sampigekkan; but that it is very necessary to have one of the type design built at Lingenhalli. The Executive Engineer will be addressed accordingly.

The Board entirely agree with the opinion expressed by the Secretary to the South Mysore Planters' Association as to the general utility of the road, and sanction the expenditure of Rs. 500 from the budget towards the cost of preliminary survey the proposed alignment.

23. The election of a member for the Tarikere taluk in place of Mr. C. Kuppusami Pillai, who has absented himself from more than 3 consecutive meetings.

24. The President proposed the opening out of a road from Kadur to Belgar, which is a necessity to that part of the country, and will also be a most useful railway feeder road.

25. Proposed by Dr. Fernandes and seconded by Mr. Ganesha Rao, that Government be addressed and requested to construct a 2nd class bungalow at Birur, as it is a rising town and will be the junction for the Birur-Shimoga railway.

26. Proposed by Mr. Ganesha Rao, that a temporary dispensary be opened at Balur or a weekly visit paid to Balur by a medical man.

27. Proposed that the Deputy Amildar of Yedahalli be requested to attend the meetings of the Local Fund Board.

28. Read the consolidated budget estimates of receipts and expenditure under the several heads in the District Fund budget for 1899-1900 as abstracted hereunder:—

Receipts.	Rs.
1 Total income for 1899-1900	.. 52,633
2 Opening balance	.. 12,795
Grand Total	.. 65,428

Expenditure.	Rs.
3 Works to be executed by P. W. D.	15,000
4 Do Revenue Dept.	.. 7,350
5 Civil charges	.. 18,100
Total	.. 65,450
Closing balance	.. 1,978
Grand Total	.. 65,428

The Board have already suggested that the ferry should be worked by the Public Works Department.

The amount due to the ferryman may be adjusted from the balance remaining from the amount of the estimated cost of the jangal and dhony.

The Board consider an extra amount of Rs. 10 per mile should be sanctioned for the Belur-Magundi road, but do not consider it necessary to increase the allotments on the others as proposed. They are also of opinion that the allotment of Rs. 150 a mile for the Shimoga-Yedahalli road may be reduced to Rs. 50 per mile and the money thus saved, viz., Rs. 1,100, used to improve the old famine road from Kadur to Belgar via Yagati.

Recorded with the observation that the increase proposed being in accordance with Government Order No. 13250-1 - Mis. 1962, dated 8th June 1896, the same may be entered in the next year's budget.

Mr. Kuppusami Pillai being present, says that he is willing to continue on the Board.

The Board recommend that Government be requested to condone his absence.

Resolved that Rs. 1,500 be allotted in this budget for this work (vide No. 21) and that the Executive Engineer be requested to furnish estimates.

Carried *nem con.*

Resolved that the Assistant Surgeon, Mudgers, be offered Rs. 25 a month to make a weekly visit to Balur on the Banakal shandy day and that sanction of Government be obtained, if the offer is accepted.

Carried *nem con.*

The Board in approving of the same, noted—

- I That the small decrease under "receipts" does not call for any special attention, and
- II That the increase under "expenditure" is owing to the increase budgetted under urgent "Original works" (Revenue and Public Works Department).

Resolved that the budget be recommended to Government for sanction.

F. K. C. CARR, President.
